

TO THE SPANISH SECURITIES COMMISSION

Fluidra, S.A. ("**Fluidra**" or the "**Company**"), pursuant to the provisions of section 228 of Royal Legislative Decree 4/2015, of 23 October, which passed the amended text of the Securities Market Act, hereby issues the following:

MATERIAL FACT

Fluidra has filed a second promissory note scheme with the Spanish Alternative Fixed Income Market ("**MARF**") called the "Fluidra 2018 Promissory Note Scheme", with a maximum outstanding balance of €50,000,000, which will be operative until 29 June 2019. As happened in the "Fluidra 2017 Promissory Note Scheme", the Company will continue to have the backing of Banca March S.A., a registered MARF advisor. In addition, Banco de Sabadell S.A. will continue to act as the scheme's payment arranger. The two banks will also work in partnership with each other.

The new Scheme was set up with the aim of continuing to drive forward the diversification of the Company's sources of financing, thus maintaining greater flexibility in the financing of the Fluidra Group's working capital.

Through this scheme, the Company will be able to issue promissory notes, with maturities of between three (3) and seven hundred and thirty-one (731) days from the date of issue whenever market conditions make this advisable.
