

TO THE SPANISH SECURITIES COMMISSION

Fluidra, S.A. ("**Fluidra**" or the "**Company**"), pursuant to the provisions of section 227 of Royal Legislative Decree 4/2015, of 23 October, which passed the amended text of the Securities Market Act, hereby issues the following:

OTHER RELEVANT INFORMATION

Fluidra Commercial France SAS, an indirectly wholly-owned subsidiary of Fluidra, signed a share purchase agreement by virtue of which it has acquired one hundred percent (100%) of the share capital of the Belgian company AYW CONCEPT BV/SRL ("**Aquafive**").

Aquafive is a Wavre (Belgium) based entity which, through its wholly-owned subsidiary Pentagone APCD ("**Pentagone**"), is a distributor of pool products, including, among others, those concerning heating, dehumidification and cover equipment for swimming pools, as well as swimming pool cleaning and water treatment products. Aquafive has a longstanding relationship with the Fluidra Group, being the exclusive distributor of Zodiac branded products in the Benelux region (Belgium, Netherlands and Luxembourg). Aquafive's turnover for the financial year closed on December 31, 2019 was slightly above 7 million euros, which resulted in a gross operating profit (EBITDA) of approximately 900 thousand euros.

The agreement signed places the equity value of Aquafive, and its subsidiary Pentagone, at approximately 4.8 million euros, including a deferred payment of 1.5 million euros. The sale price for the 100% of the share capital will be settled as follows: an initial payment made today in the amount of 3.3 million euros; and three deferred payments of 0.5 million euros each for the next three years.

This acquisition, which will be integrated in the future with Fluidra's existing operations in Belgium, allows the opportunity to expand the reach of Fluidra's unique product portfolio as well as providing best service to the extended customer base.
