1. These Regulations have been approved by the Board of Directors of FLUIDRA, S.A. (the "**Company**") and will be reported to the Shareholders' Meeting. The purpose of these Regulations is to establish the guidelines for the Audit Committee's actions and the basic rules governing its organization and functioning and the conduct of its members (the "**Audit Committee Regulations**" or the "**Regulations**").

Article 2.- Interpretation

1. These Regulations complete the regulations applicable to the Audit Committee pursuant to the legislation in force, the Company's Bylaws and the Board of Directors' Regulations. They shall be interpreted in accordance with the applicable statutory and bylaw provisions and with the principles and recommendations on the corporate governance of listed companies approved or issued by the Spanish authorities and the authorities of comparable countries, or by special commissions or working groups established by virtue of the mandate of such authorities.
2. Any queries relating to the application and interpretation of these Regulations shall be resolved by the Board of Directors in accordance with the general criteria for interpretation of statutory provisions.

Article 3.- Amendment

1. These Regulations may only be amended at the proposal of the Chairman of the Board of Directors, the Chief Executive Officer or one-third of the directors or of the Board of Directors, accompanying the amendment proposal with an explanatory report.
2. The text of the proposed amendment and the explanatory report must be attached to the call notice for the Board of Directors meeting at which the proposal will be discussed. The call notice for said meeting shall be sent at least ten (10) days in advance.
3. In order to be valid, any amendment to the Regulations shall require a resolution adopted by a majority comprising two-thirds (2/3) of the directors present at the meeting in person or by proxy. These Regulations must be updated whenever necessary in order to bring their content into line with the applicable legislation in force.

Article 4.- Dissemination

1. The members of the Audit Committee must be familiar, comply and ensure compliance with these Regulations. For such purposes, the Board Secretary shall provide each

member of the Audit Committee with a copy of the Regulations on acceptance of their respective appointments or on signature of their contracts, as applicable, and they must deliver to the Secretary a signed statement, following the model attached hereto as Schedule I, indicating that they are aware of and accept the content of these Regulations, undertaking to fulfil all such obligations falling to them hereunder.

2. The Board of Directors shall adopt the appropriate measures to ensure that these Regulations are disseminated among the shareholders and the investing public in general.

CHAPTER II.- FUNCTIONS OF THE AUDIT COMMITTEE

Article 5.- Basic principles of action

The Audit Committee, when exercising its powers, must comply with the basic principles of:

- (i) Responsibility, given that, as a collective body, it has specific responsibilities to advise the Board and to supervise and control the financial information preparation and presentation processes, as well as responsibilities regarding the independence of the external auditor and the effectiveness of the internal risk management and internal control systems, notwithstanding the responsibility of the Board;
- (ii) Scepticism, sufficiently questioning the data, the assessment processes and the preliminary conclusions reached by the Company's executives and managers, which entails a critical attitude, not automatically accepting their opinion, noting the pros and the cons and forming its own view, not only individually (each of its members) but also collectively;
- (iii) Dialogue, both:
 - (a) Among its members, so as to favour a diversity of opinion that enriches the Audit Committee's analyses and proposals, establishing a climate within the Audit Committee that fosters constructive dialogue among its members, promoting free speech and a critical attitude; and
 - (b) With the Company's management (in particular, general and financial management), the Global Director of the Internal Audit and Compliance and the external auditor.
- (iv) Sufficient analytical capacity, being authorized to obtain, if deemed necessary or appropriate, expert advice from a third party capable of aiding the Audit Committee in the process of analysing particularly complex aspects (for example, contentious or new accounting treatments, determination of the reasonable value of certain assets or liabilities, valuation of related-party transactions or tax treatments or complex risks or of key audit areas). To best perform its functions, the Audit Committee shall have the power, resources and budget to seek advice from the external experts when it considers it necessary for the correct fulfilment of its duties.

Article 6.- Basic functions of the Audit Committee

Without prejudice to any other tasks assigned to the Audit Committee by law, the Bylaws or the Board of Directors, the basic functions of the Audit Committee shall be as follows:

- (i) Inform the Shareholders' Meeting of any questions that arise regarding matters falling within its remit;
- (ii) Propose to the Board of Directors, for submission at the Shareholders' Meeting, the appointment of the Company's statutory auditor or external audit firm as referred to in article 264 of the Capital Companies Law, as well as the conditions of the engagement, the scope of the professional mandate and, where appropriate, the revocation or non-renewal thereof;
- (iii) Supervise the effectiveness of the Company's internal control systems and, in particular, its internal control over financial reporting, internal audit, where applicable, and risk management systems (including for tax risk) and to discuss with the statutory auditor or external audit firm any significant weaknesses detected in the internal control system during the course of the audit;
- (iv) Monitor the process of drawing up and disclosing regulated financial information;
- (v) Review the Company's accounts and oversee compliance with legal requirements and the correct application of generally accepted accounting principles, directly working to that end with internal and external auditors. In particular, the Audit Committee shall strive to ensure that in those cases where the audit firm includes any qualification in its report, the Chairman of the Audit Committee should give a clear explanation at the General Meeting of the opinion of the Audit Committee regarding its scope and content, making a summary of that opinion available to the shareholders at the time of the publication of the notice of the meeting, along with the rest of proposals and reports of the Board;
- (vi) Maintain and oversee relationships with the statutory auditor or external audit firms to obtain information on those matters that could jeopardize their independence, for review by the Audit Committee, and any other audit-related items, as well as any other notices provided for in audit legislation and standards;
- (vii) Oversee compliance with the audit services agreement, ensuring that the opinion on the annual financial statements and the main content of the audit report are drafted in a clear and precise manner and evaluating the results of each audit performed;
- (viii) Report on related-party transactions that must be approved by the Shareholders' Meeting or the Board of Directors in accordance with the provisions of the Capital Companies Law and supervise any internal procedures in place at the Company for related-party transactions where the authority to approve them has been delegated;

- (ix) Examine compliance with the Internal Code of Conduct, with these Regulations and, in general, with the Company's corporate rules and make any proposals as may be appropriate for the improvement thereof; and
- (x) Receive information and, when appropriate, issue reports on the disciplinary measures to be imposed on the members of the Company's senior management team.

Article 7.- Functions over information and internal control systems

Without prejudice to any other tasks assigned to the Audit Committee by law, the Bylaws or the Board of Directors, the functions of the Audit Committee with respect to internal control and reporting systems shall include:

- (i) Monitor and evaluate the preparation and the integrity of the financial and non-financial information prepared, as well as the control and management systems of financial and non-financial risks relating to the Company and, where appropriate, the group, verifying compliance with legal provisions, the accurate demarcation of the consolidation scope and the correct application of accounting principles;
- (ii) Review internal control and risk management systems on a regular basis, ensuring that the main risks are properly identified, managed and disclosed;
- (iii) Monitor the independence and efficacy of the internal audit function, propose the selection, appointment and removal of the Director of internal audit; propose the department's budget; approve or make a proposal for approval to the Board of Directors of the guidelines and annual work programme of the internal audit unit, ensuring that it focuses primarily on the main risks (including reputational risks); receive regular report-backs on its activities and verify that senior management are acting on the findings and recommendations of its reports;
- (iv) Establish and supervise a mechanism that allows employees and other persons related to the Company, such as directors, shareholders, suppliers, customers, contractors or subcontractors, to report irregularities of potential significance, including financial or accounting irregularities, or those of any other nature, related to the Company, that they notice within the Company or its group. This mechanism must guarantee confidentiality and enable communications to be made anonymously, respecting the rights of both the complainant and the accused party;
- (v) Supervise the application of the general policy for the communication of economic-financial, non-financial and corporate information. Similarly, the way in which the Company communicates and relates with small and medium-sized shareholders should be monitored.

Without prejudice to any other tasks assigned to the Audit Committee by law, the Bylaws or the Board of Directors, the functions of the Audit Committee with respect to the statutory auditor or the external audit firm shall include:

The Audit Committee will review the main findings of the statutory auditor and, as the case may be, will propose to the Board of Directors the adoption of all appropriate measures to remove the causes of these events if they are within the control of the Company.

- (iii) Ensure the independence of the statutory auditor or external audit firm in the discharge of its functions and, for this purpose:

This report must contain, in all cases, an assessment of the provision of the additional services referred to in the preceding paragraph, taken individually and as a whole, other than the statutory audit, in relation to the rules on independence or to audit legislation.

- (iv) Foster that the group auditor takes on the audit of all of the subsidiaries in the Company's group.
- (v) Ensure fluid and ongoing communications with the statutory auditor by seeking information on the audit plan, its effectiveness and any other issue relating to the auditing process. These communications must be compliant with the duties and obligations of each party to ensure independence of the statutory auditor. These communications shall be held in annual meetings, most of which will be held without the presence of the Company's management.
